Transported Semen Contract

I Hereby agree on the _____ day of _____, 20_____, to breed the mare named below to the stallion _____ by transported cooled semen for the 20____ season subject to the following conditions:

Name of Mare _____ Registry _____ # _____
Sire _____ # _____ Dam _____ # _____

1. The stallion service fee is _____. Chute fee of _____ payable in full before semen will be shipped. A copy of from and back of registration papers must accompany contract.
2. A collection and lab fee of _____ will be charged on the first shipment which includes the shipping cost and disposable container. This is payable by mare owner before any semen will be shipped. Two doses of semen will be included in each shipment. Any further reshipments will be charged _____. The semen may be used for the designated mare only.
3. Semen must be ordered by mare owner by 10 p.m. (CST) the night before shipment. Semen is available on standard breeding days only. (Every other day). All requests for semen shipments shall be filled as received, subject to availability. If there is insufficient semen to fill all orders on a given day, the farm will determine which orders are to be honored. This decision will be based on information provided by the purchaser's veterinarian.
4. Semen will be shipped Federal Express Overnight delivery. If Saturday delivery is required, an additional \$10 will be assessed. Same day delivery, counter to counter can be done by airplane, but, a trip fee of \$100 will be charged plus any air fees. These fees must be paid in advance of shipping.
5. mare owner is responsible for having a certified veterinarian or experienced breeding technician inseminate the mare, and complete all required forms and return them to James Performance Horses and the APHC, APHA, or AQHA.
6. Mare owner is responsible for pregnancy checking the mare on or before 18 days and notifying James Performance Horses of the results.
7. The stallion service fee on transported semen is non refundable, however James Performance Horses does guarantee a "live foal guarantee". "Live foal" is defined as a foal that stands and nurses without assistance after foaling. If the contracted mare does not settle or aborts the first year, James Performance Horses will reship the following year to that mare or to a substitute mare. If that mare does not settle, James Performance Horses will only honor an "on premises" breeding, meaning the mare must be delivered to James Performance Horses for breeding. Standard breeding contract will apply.
8. Mare owner or authorized representative will complete and sign this contract, enclose applicable fees, copy of registration papers and return them to James Performance Horses. It will be a binding contract on both parties subject of above terms and conditions. This contract is non-transferable or assignable.
9. Owner further agrees that this contract is made and entered into the county of Logan, in the state of Oklahoma, and that it shall be interpreted, enforced and transacted under the laws of said state, and within the designated county, regardless of the manner of breeding solicitation.
